CORAM: HON'BLE MR.JUSTICE J.S.KHEHAR

for the petitioner.

Mr. Salil Sagar, Addl.AG, Punjab
for respondents No. 1 to 3.

***

J.S.Khehar, J.(Oral)

Learned counsel for the petitioner has invited our attention to the preliminary submissions contained in the written statement filed on behalf of respondents No. 1 to 3 wherein it is asserted that the claim of the petitioner for appointment on compassionate grounds could have been considered only in respect of Class- III(Group C) posts. Learned counsel for the petitioner states that the petitioner is ready and willing to be considered for a Class-III(Group C) post in the Health Department wherein he can make use of his MBBS qualification, if possible.

In view of the above, we consider it just and appropriate to dispose of the instant writ petition with a direction to the respondents to reconsider the claim of the petitioner for Class-III(Group C) post in the Health and Family Welfare Department.

Disposed of accordingly.
